

How to become a member family

Joining takes about ten minutes. The parent or guardian creates the account and stays in control of every learner, booking and payment. Here is the whole journey, start to first live class.

1

Create your member account

The parent or guardian is the account root. Enter your name and email and create the account, no learner details needed yet.

You provide: parent / guardian name + email

2

Add your learner

Add your child with their name, age and jurisdiction. You grant parental or guardian consent, and the learner is cleared to enrol.

You provide: learner name, age, jurisdiction

3

Choose how to learn

Enrol in a live FWS Course billed monthly, or book standalone tutoring by the session. Mix and match as your family needs.

Courses monthly · Tutoring per session

4

Pay securely

Confirm with secure card checkout. Courses renew monthly and can be cancelled anytime; tutoring is charged per session you book.

Encrypted checkout · cancel anytime

5

Learn live

You receive a Zoom or Google Meets link instantly. Join the live session, and track progress from your family dashboard.
